ABOUT THE BEAUTRAVELER

Beautravel is a made-up verb, which basically means 'to combine beauty and travel experience while seeking the potential beau'.

The BeauTraveler is a blog that I created to cover 3 (three) essential things for me: beau, beauty, and travel.

As a woman in her 30s, I love wearing make-up and I use skincare and makeup on daily basis. Hence, the beauty. Being a single woman as I am, I occasionally go on date(s) as well. Although I consider myself a slow traveler, I occasionally go traveling either solo or with partner and/or group.

Through this blog, I would like to share my views and experience towards these topics. I write as bluntly as I can since I want my blog like how I am in real life: hot and spicy.
